GUILTY

A CELEBRATION OF THE POLICE STATE

THERE IS NO PLACE FOR FREEDOM IN AN AGE OF TERROR! GIVE UP THE FIGHT AND CELEBRATE OUR STATUS AS HAPPY PRISONERS. HOW MANY MORE MUST DIE BEFORE WE LEARN TO DO AS WE'RE TOLD?

TURN YOURSELF IN AT

THE BANK OF ENGLAND

FOUR MINUTES PAST THE STROKE OF FIVE

---

MAYDAY

CONVICTS - Dress in your best stripes and come on down to the exercise yard to walk in a circle with your fellow inmates. Sneak some contraband (Sound Systems, Moonshine, Cake, Kettles, Party Games) Past the guards

POLICE - Dress in high-vis yellow or riot black. Encircle the prisoners to piss them off and start some fights. Accept no food or drinks from the convicts because you never know what might be in it.

If you plan to join in the "clubbing", make sure you remove your ID numbers and bring covering for your face.

IF THEY WANT A NATION OF CRIMINALS THEN LET'S LET THEM HAVE IT...
